# REPORT.

---

THE Board of Management of the Chirk and District Cottage Hospital have pleasure to present to the Trustees, Subscribers and Donors the Seventh Annual Report and Statement of Accounts.

The Board wish to tender their very best thanks to the Annual Subscribers and Donors, and to all those who have organised collections and entertainments for the benefit of the Hospital.

The Accounts of the year are particularly interesting, and we cordially invite every subscriber to consider these. The accounts show a surplus of £52 19s. 0d. on the Income and Expenditure Account, but a large amount will have to be provided for various urgent necessities, to bring our equipment up to date. The Drive is also in a very bad condition and a large sum will have to be spent in providing a drive suitable for the conveyance of patenets to the Hospital, the present drainage system will also have to be substituted by a new Drain to connect with the Main Sewer. Owing to the large additions to our Electrical Treatment, also the anticipated increase in this department, our present plant is found to be inadequate, and arrangements are in progress to take the current from the Chirk Electricity Company.

The average cost of food per person for Patients and Staff has been  $1\frac{1}{2}\frac{1}{2}$  per day, this is without taking into account the value of gifts.

The number of In-Patients during the year was 289, with an average stay of 21.7 days. The number of Out-patients during the year was 1,385, with a total number of attendances of 2,706. A survey of the work done at the Hospital is given on a later page.

The Seventh Annual Pound Day proved a great success again. The following is a list of Receipts :—

Also Two Sacks of Potatoes, 2 Pairs of Sheets, 1 Bed Pan, Cigarettes, Fruit, Vegetables, etc.

The Committee wish to gratefully acknowledge the very important help given in this way.

The Committee would like to record its grateful appreciation of the continued support of the industrial employees in the Hospital area. The total amount received from this source was £728 16s. 7d., which clearly shows that the Hospital maintains its hold of the confidence of the workers in the district.

It is with very great pleasure that the Committee gratefully acknowledge the very excellent help received from Messrs. W. Y. Craig and Sons, Ltd., by the gift of Coal free from the opening of the Hospital, the amount of which for the last two years has been 1927 £139, and 1928 £104 11s. 0d. The Committee take this opportunity of thanking the Directors of Messrs. W. Y. Craig and Sons Ltd., for their kind consideration and help towards the maintenance of the Hospital since its inception.

A list of Subscribers is given in the Report, and the Committee ask all subscribers to kindly look through the list. They feel certain that there are friends near at hand whose names are not there, and who will at once say, "Oh, I have never been asked," who will only be too pleased to help when they are told of the splendid work the Hospital is doing. The Committee again draw the attention of all insured persons to the benefits received for the sum of 10s. per year. It is still felt that many insurable persons in the area have not carefully considered this matter, and the Committee trust that subscribers will hand this report on to any friends they know who are not at present subscribing. Particulars or further copies of the Report can be obtained from the General Secretary, The Hospital, Chirk.

The Annual Fancy Dress Ball again proved a great success. It is with great pleasure that the Committee record their keen appreciation of this help, and take this opportunity of thanking all who in any way assisted, especially the Hon. Secretary, Mrs. G. E. James for the splendid result of her work. The Committee regret that Mrs. James was compelled to resign from this work, but are pleased to say that a very capable and energetic Secretary has been found in the person of Miss M. E. Webb.

The Linen Guild, owing to the very large increase in membership, are this year issuing a special Report of their own to all members. No report is therefore included in this book. The Committee too offer their best thanks for the valuable help given by all those associated with the Guild, had it not been for the most excellent services rendered by the Guild, a very large adverse balance would appear on this year's Maintenance Account. The Committee also gratefully acknowledge the very important help given by the Ladies' Committee in repairs to household linen, etc., during the year.

The Committee would like to take this opportunity of thanking the Auditors, Mr. F. H. Bruton and Mr. J. Green for again auditing the accounts free of charge.

The Committee wish to thank all who in any way helped to again make the Annual Tennis Tournament such a great success, £52 13s. 4d. being handed over to the Hospital. Great credit is due to all who in any way assisted, especially to the Hon. Secretary, Mrs. Sissons, who took over the work during Miss Edmondson's absence abroad.

The Committee would like to record its indebtedness for the following amounts received from Entertainments, Chirk and District Co-operative Employees Ball £12 5s. 10d., Weston Rhyn Children's Maypole £10 18s. 9d., Chirk Dramatic Society £25 14s. 10d., Glyn Concert Party £1 2s. 10d., and £60. Great praise is due to the promoters and all concerned in the success of these entertainments. Attention is drawn to all friends who wish to raise funds for the Hospital by collections, entertainments, etc., that before anything is done a written application should be sent to the General Secretary for permission to promote the effort.

It is with very great pleasure that the Committee record its appreciation of the valuable help given by The Rt. Hon. Howard de Walden, by granting membership tickets for playing Golf on his private links to subscribers of £1 1s. 0d. and upwards, and a large number of subscribers have been added to our list in this way.

The very best thanks of the Committee are due to the Medical Officers, who have so generously given their services gratuitously, also to the Matron and her Staff for the unfailing care and attention bestowed on the patients.

In conclusion the Committee make a special appeal to all friends to be present at the Annual Meeting on Friday, May 10th, 1929, at 6.30 p.m., in the Parish Hall, Chirk.

JAS. DARLINGTON, *Chairman.*

W. E. SUMMERS, *General Secretary.*
